Re: Request for Inclusion of Document in Patent File
Patent No.: 6,841,360
Issued: January 11, 2005
Appl. No.: 10/608,504
Filed: June 30, 2003
Title: **Nucleotide Sequences Coding for the Export
of Branched-Chain Amino Acids, Process for
the Isolation Thereof and Use Thereof**
Inventor(s): Kennerknecht, *et al.*
Atty. Dkt.: 7601/80525

Sir:

The cover page of the above-noted patent indicates that the assignee in this case is Degussa-Huls Aktiengesellschaft. However, prior to the issuance of the patent, Degussa-Huls Aktiengesellschaft merged to become Degussa AG. An Assignment of the Merger Document was recorded at the U.S. Patent and Trademark Office on March 29, 2006. However, since this occurred after the issuance of the '360 patent, the Patent Rules do not allow for correction of the cover sheet by means of a Certificate of Correction. In light of this, a copy of the recorded Certificate of Merger is enclosed herewith and it is respectfully requested that this be included in the file for the above-noted patent. It is not believed that any fees are required for the filing of the present document. Nevertheless, any fees that may be required may be charged to Deposit Account No. 06-1135, under Order No. 7601/80525.
